Come costruire il libretto

Ritagliate le pagine del libro (comprese di strisce azzurre) e piegatele in due.

Incollate le parti senza disegni delle singole pagine tra loro (ad eccezione della copertina).

Vi troverete con 5 fogli scritti fronte e retro + la copertina.

Inserite le pagine ripiegate all'interno della copertina. Le strisce azzurre si dovranno trovare sulla sinistra.

Graffettate le pagine e la copertina insieme. Le strisce azzurre rimarranno nascoste tra le pieghe della copertina.

Il vostro libretto è pronto.

Buon divertimento!
