

LA PRIMAVERA

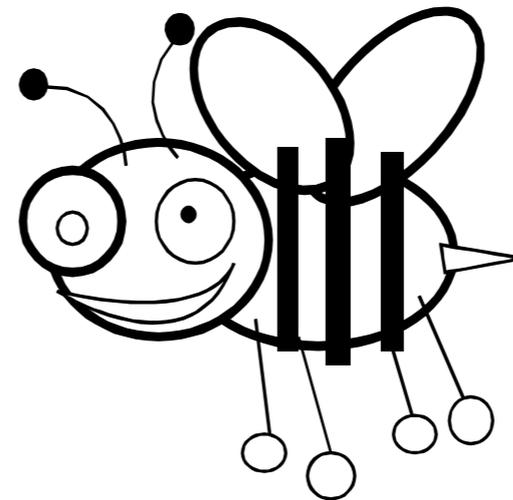

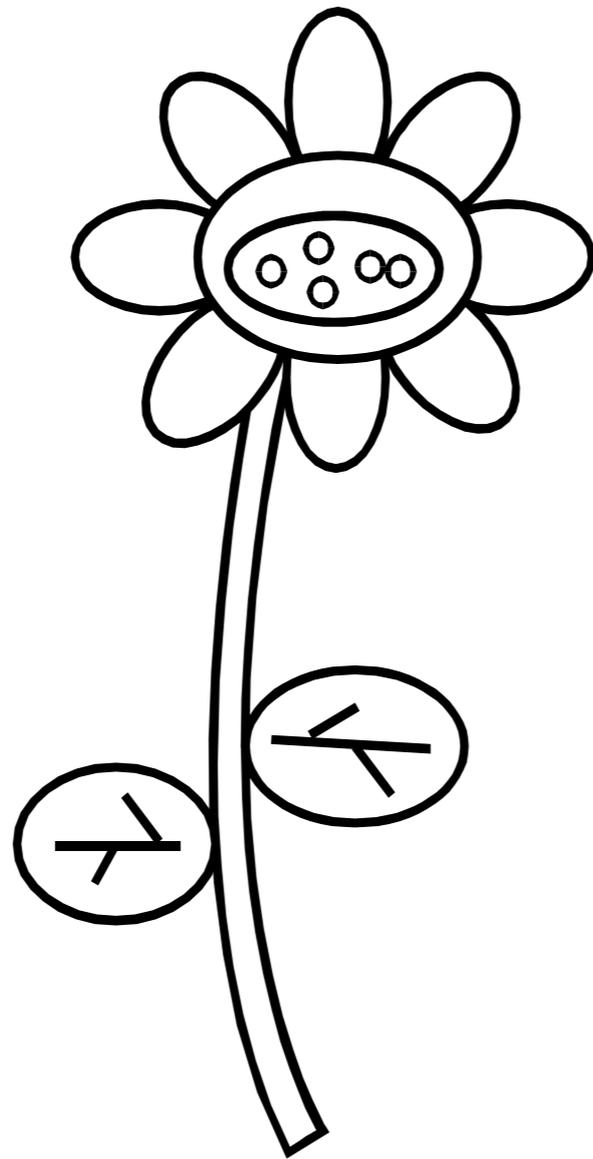

LA PRIMAVERA E' TORNATA
E LA NATURA SI E' RISVEGLIATA

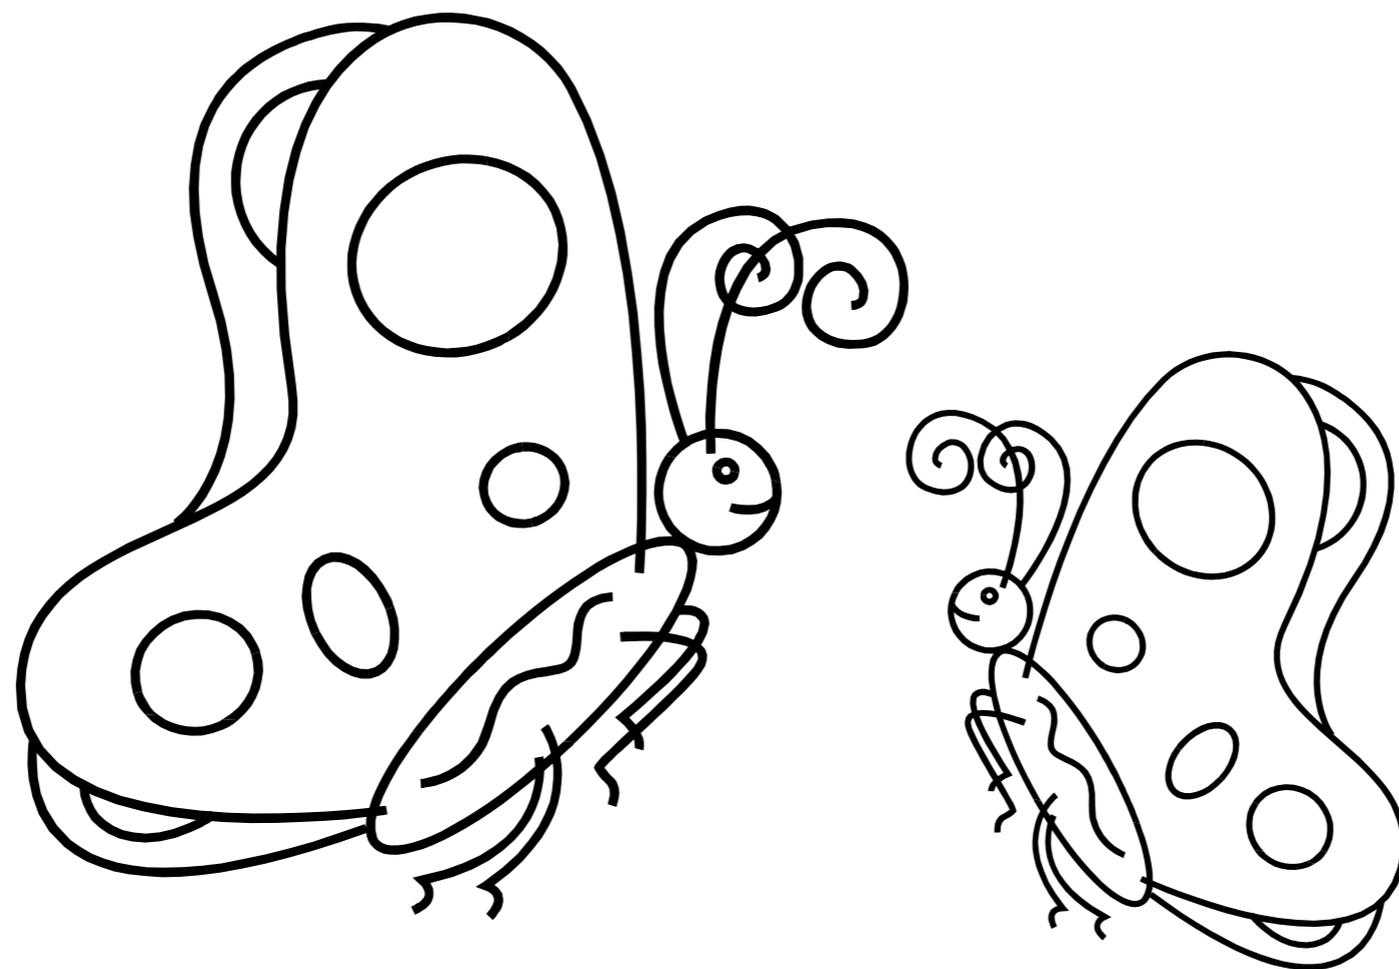

I PRATI SON FIORITI
DI TANTI COLORI ASSORTITI

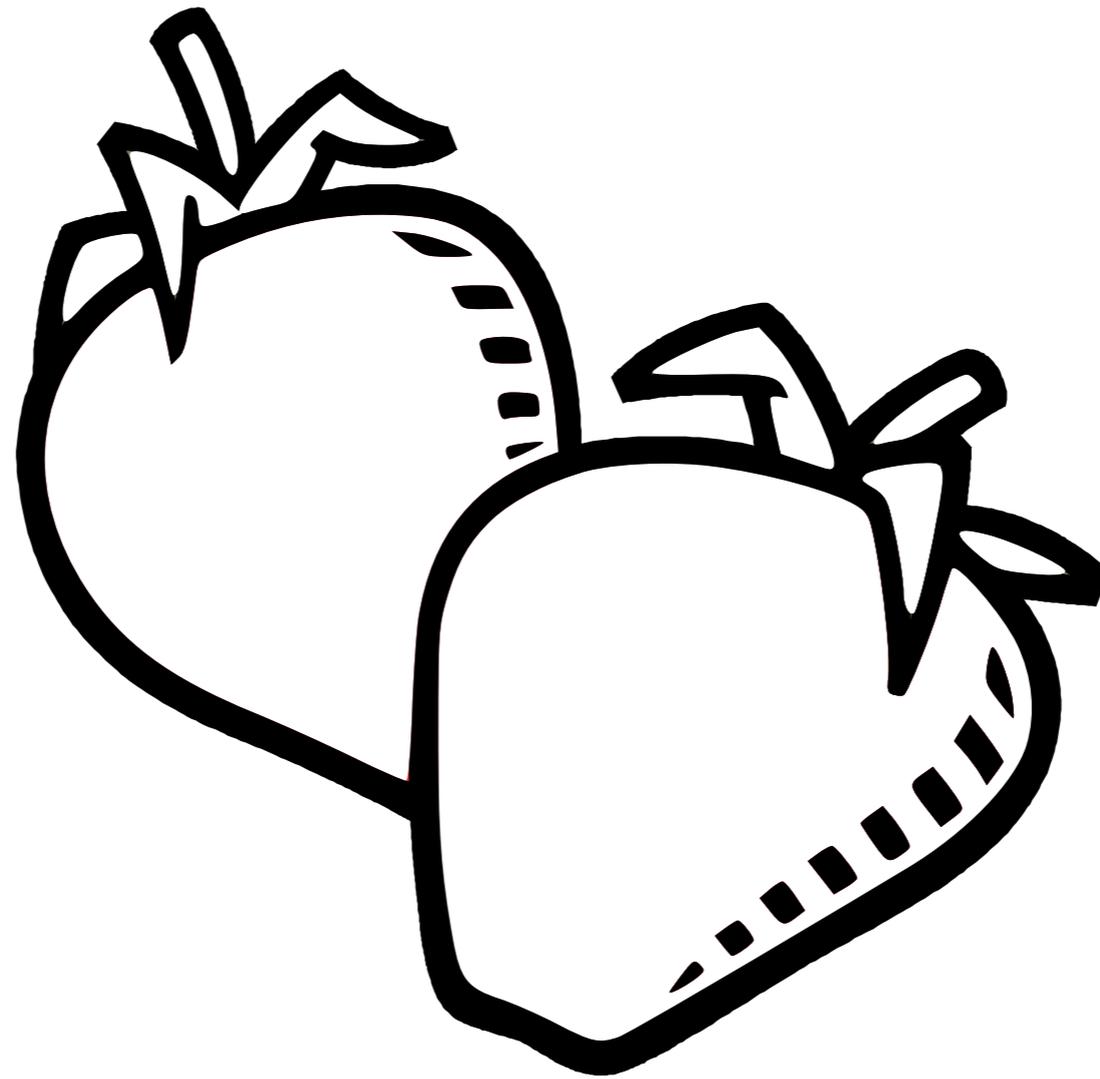

TANTE API TORNANO A RONZARE
E IL POLLINE PORTARE

VOLANO ALLEGRE LE FARFALLE
CON LE ALI BLU E GIALLE

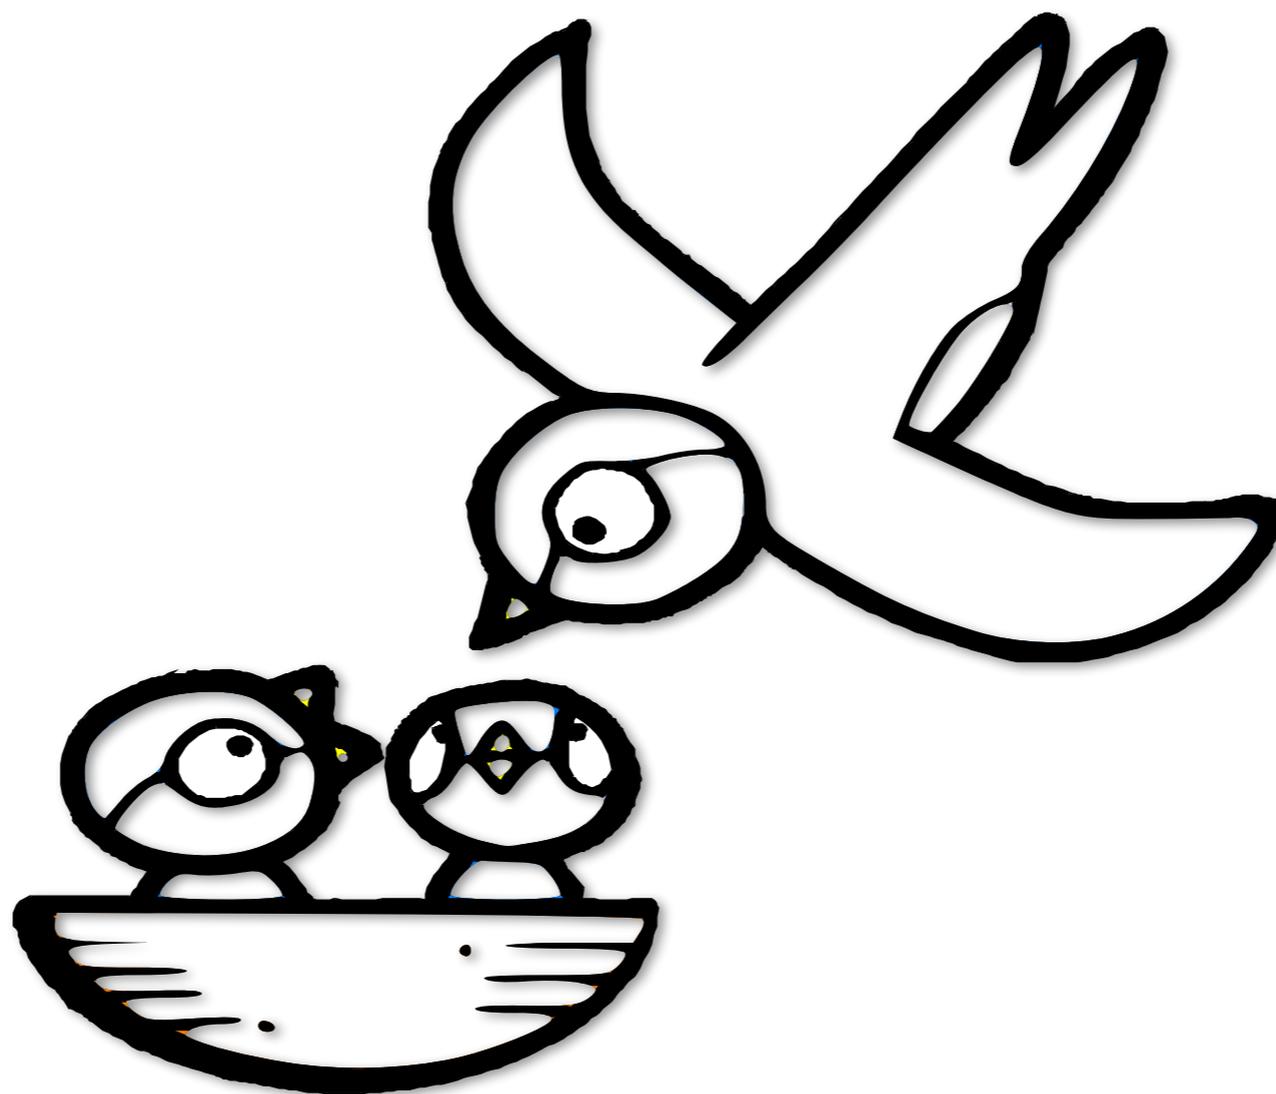

TANTE FRAGOLE DA MANGIARE
E CILIEGIE DA GUSTARE

.....

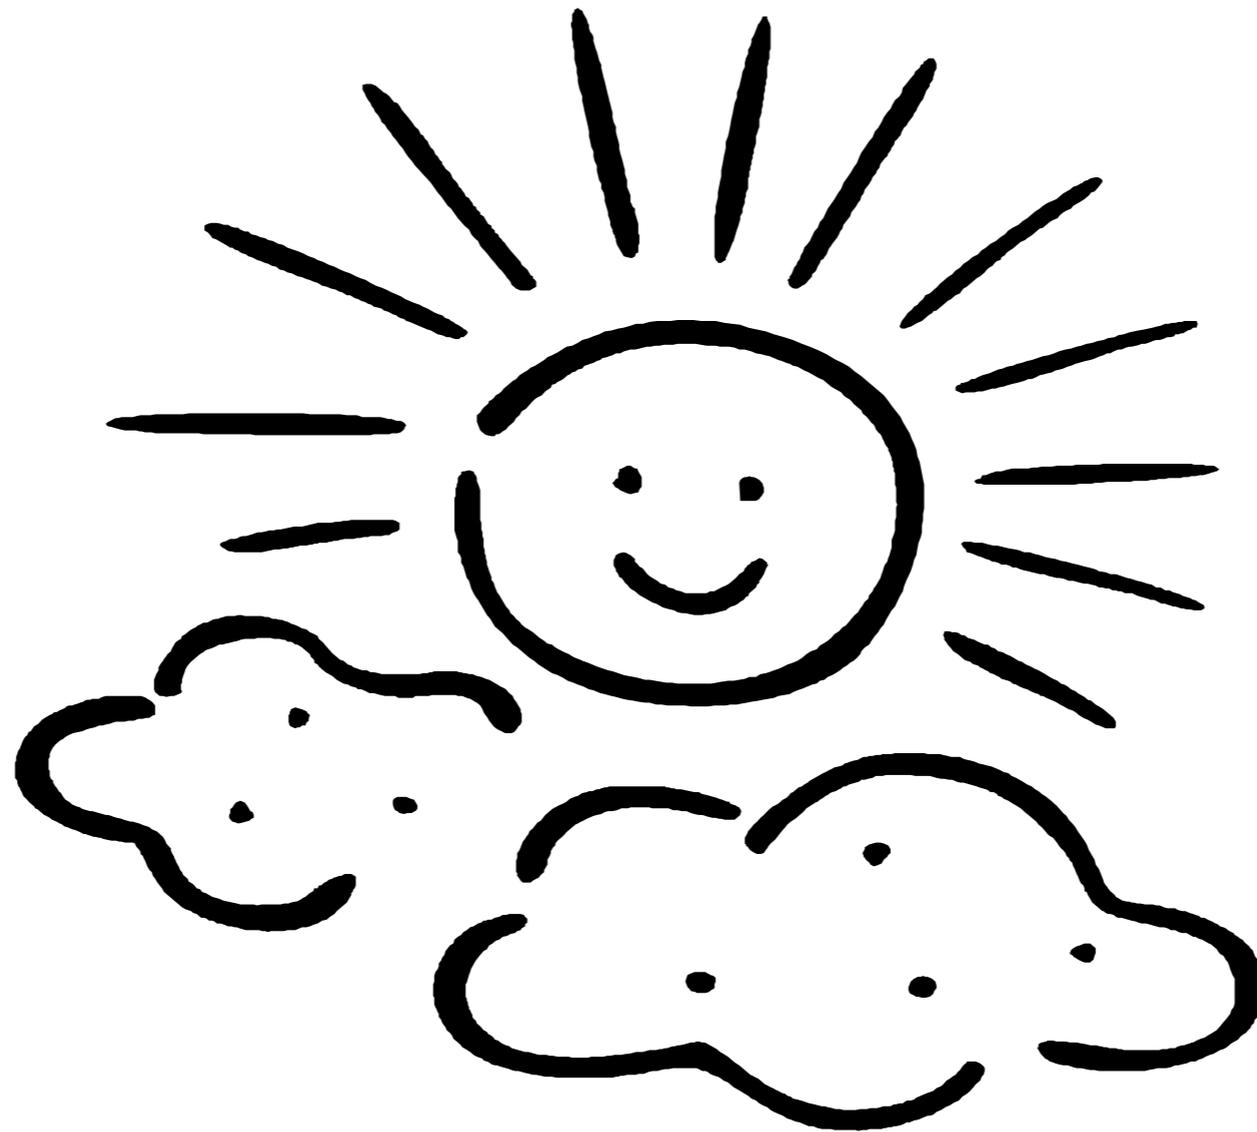

COMPAGNONO NEL CIELO
TANTI UCCELLINI
CHE CON IL LORO CANTO
RALLEGRANO I BAMBINI

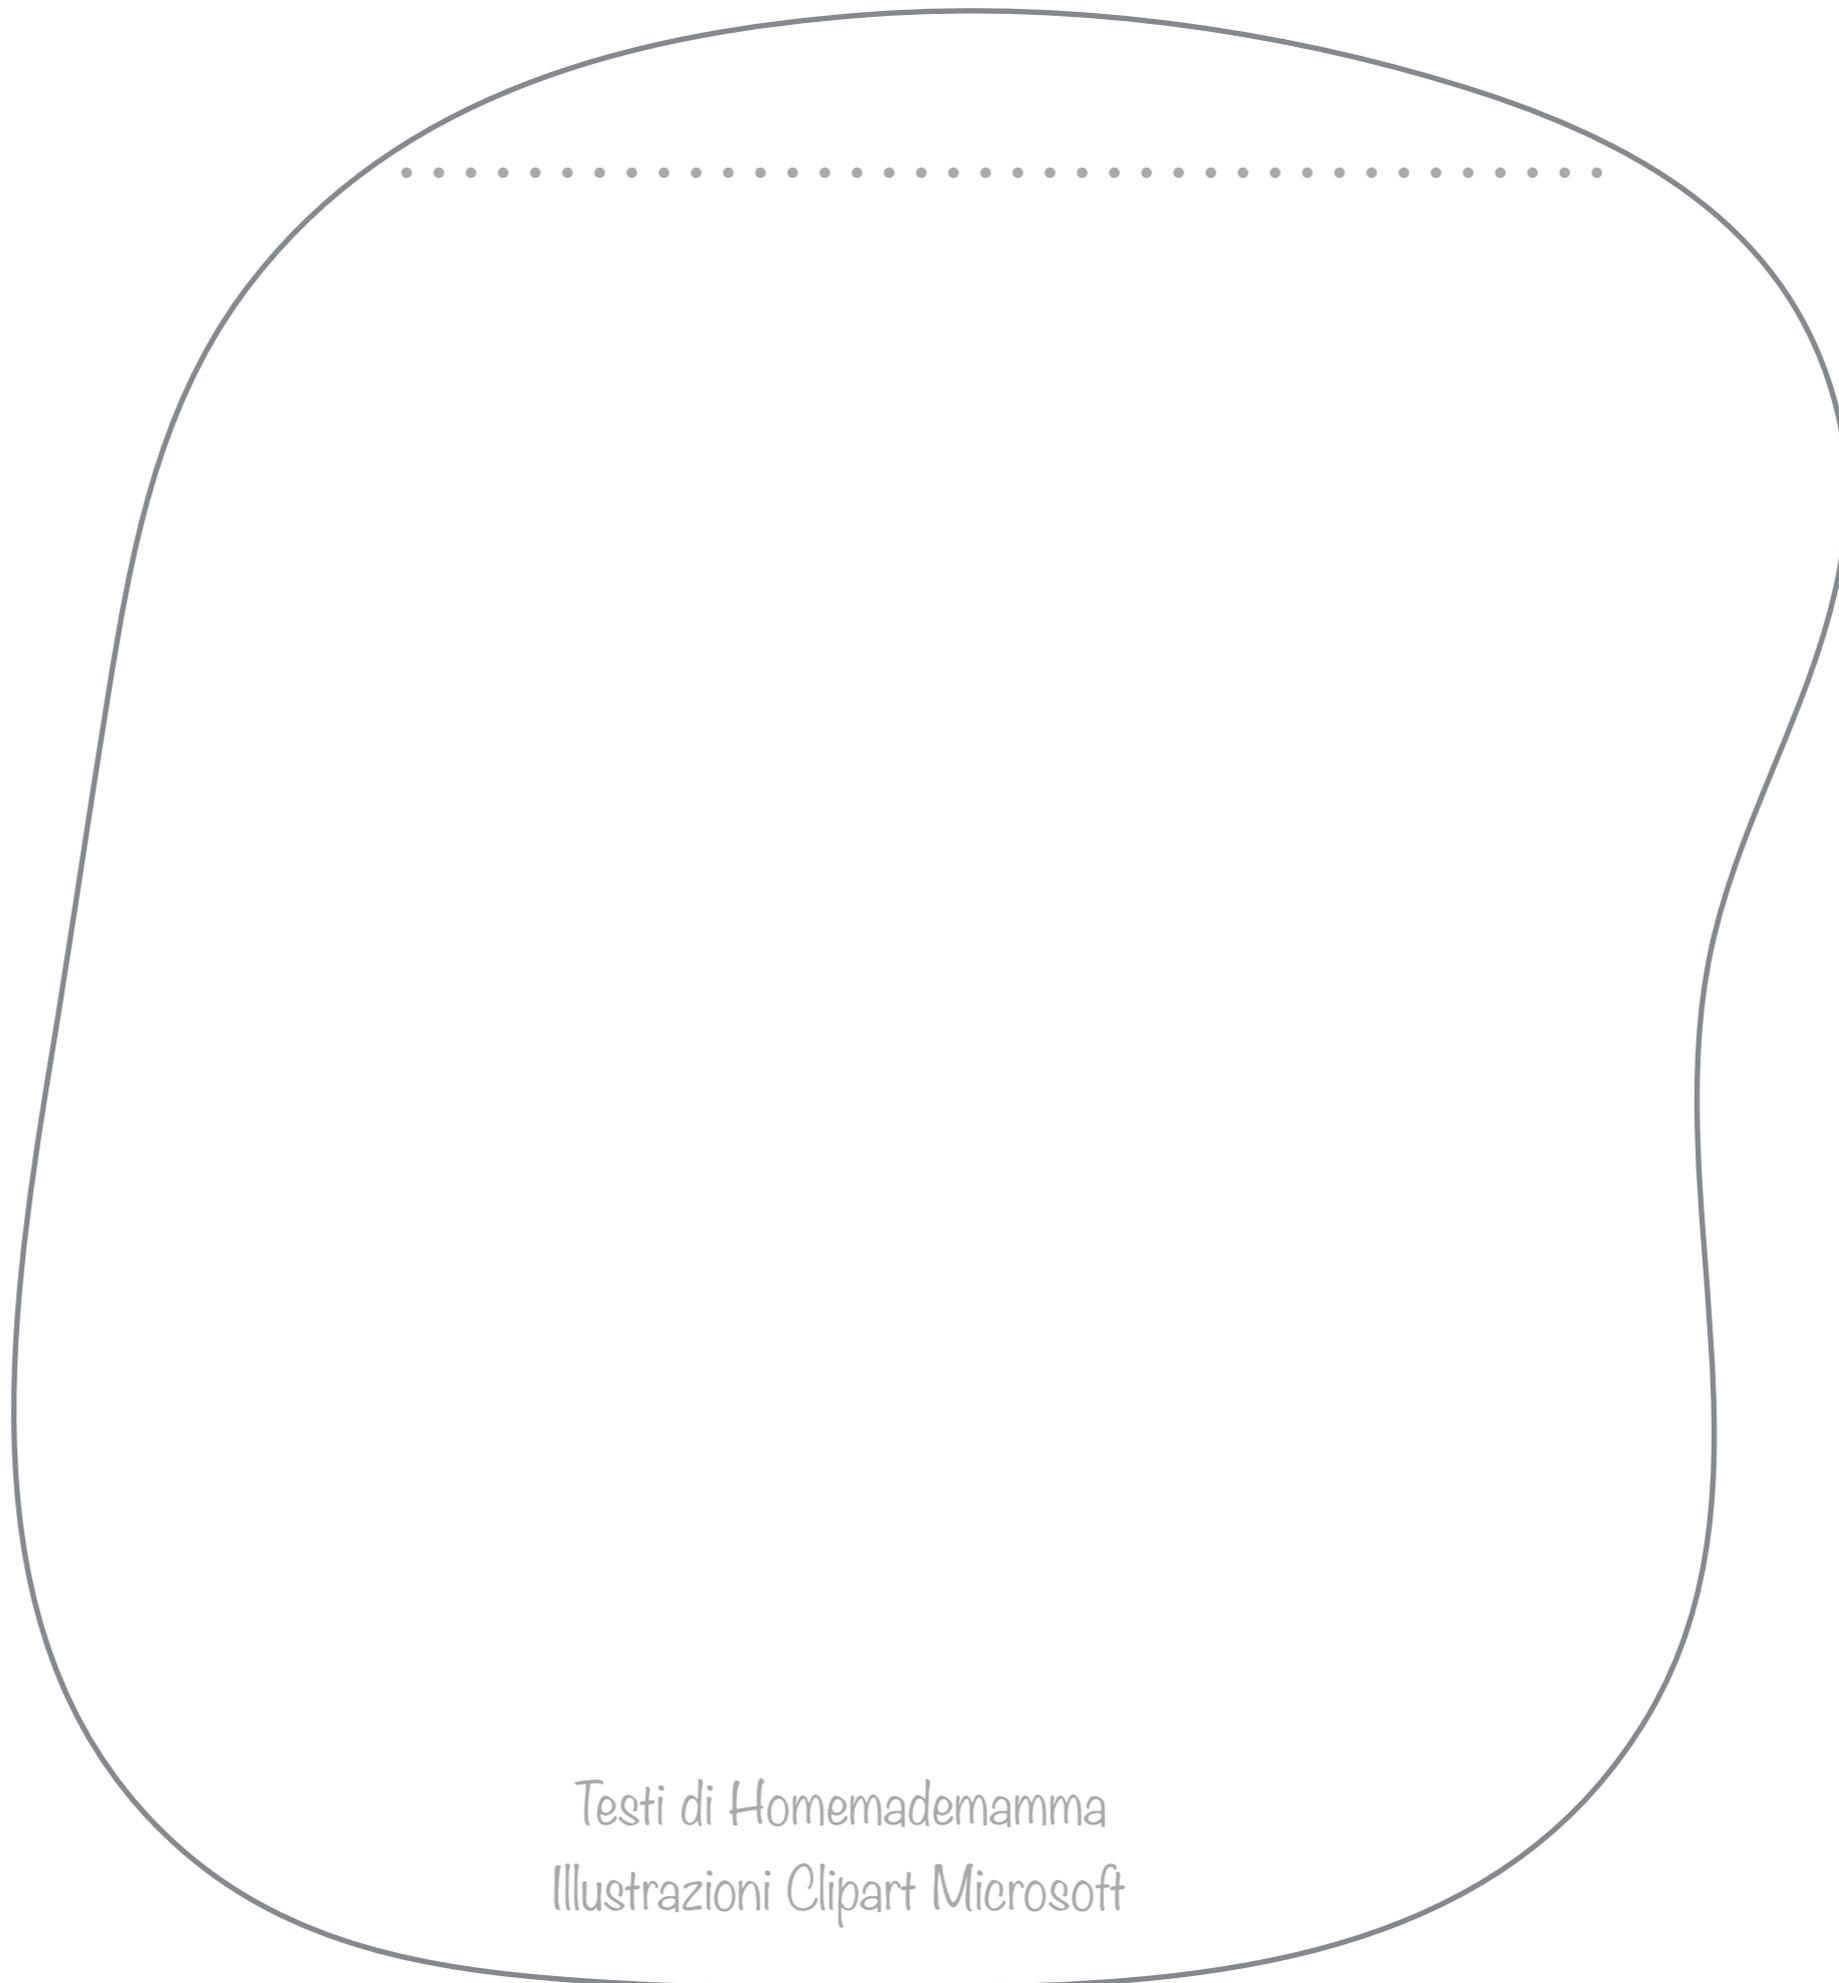

LA PASQUA BISOGNA FESTEggiARE
E LE UOVA DI CIOCCOLATO GUSTARE

IL TEMPO E' UN PO' BIRICHINO
IL SOLE COMINCIA
A SCALDARE UN POCHINO
