HOMEMADEMAMMA

[illegible]

A black and white line drawing of a repeating pattern of stylized, teardrop-shaped ghosts. Each ghost has a unique facial expression, including wide eyes, closed eyes, and simple smiles. The pattern is interspersed with other Halloween-themed elements: a snail, a witch's hat, a bat, a pumpkin, and a cat wearing a witch's hat. The text "HOMEMADEMAMMA" is visible in the upper right quadrant.
